DISPOSITION

XX **Granted** (subject to conditions, see below)

The above action was effective when taken: September 4, 1998, and will remain in effect, provided that Northwest continues to hold the necessary underlying authority to serve the U.S.-Thailand market.

Action taken by: Paul L. Gretch, Director
Office of International Aviation

XX The authority granted is consistent with the May 8, 1996 Memorandum of Understanding and the aviation agreement between the United States and Thailand.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** **Holder's certificate of public convenience and necessity**

Conditions: Consistent with our standard practice, the frequency allocation granted is subject to the condition that it will expire automatically and the frequencies will revert to the Department for reallocation if they are not used for a period of 90 days.

Remarks: The authority for which Northwest requested renewal expired August 29, 1998, but had been kept in force pursuant to the provisions of the Administrative Procedure Act, 5 U.S.C. 558(c), as implemented by 14 CFR Part 377, pending action on Northwest's timely filed renewal application.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) immediate action was required and was consistent with Department policy; and (2) grant of the authority was consistent with the public interest. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within ten (10) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
